Dashboard – Tablet (User)

Responsive Notes

- The sidebar navigation moves to a horizontal navigation bar so it uses less space on tablet screens.
- The card grid uses fewer columns so cards remain readable.
- Search and toggle controls stay near the top of the page for easy access.

Responsive Notes

- Navigation moves into a hamburger menu so more screen space is available for content.
- Cards stack vertically so each card has enough space to display information clearly.
- The page scrolls vertically to display the full list of items.
