Items – Tablet (User)

Responsive Notes

- Sidebar navigation moves to the top of the screen to better fit the tablet layout.
- The item grid uses fewer columns so cards remain readable on a smaller screen.
- Search and filter controls remain near the top for easy access.

Items – Mobile (User)

Responsive Notes

- Navigation moves into a hamburger menu to allow more space for the item list.
- Item cards appear in a single vertical list so each card remains easy to read.
- Filters are placed beneath the search bar so they fit the narrower screen.
